Nomination Process.

Step One: Evaluation of Current Board Members. Based upon the Board's identified skill set requirements for that given year, current members eligible for re-election will be assessed by the Committee with possible assistance with Advisory Board. Current members must receive a satisfactory assessment from their committee chairs to be considered by the Committee for re-election.

Step Two: Receiving Recommendations for Potential New Board Members: Based upon the Board's identified skill set requirements for that given year, the Committee will also consider nominees recommended by board members, management, chapters, and other recommendations that may come to the Committee's attention. Recommendations or resumes should include the following:

- Skills, experience or other qualifications as may be reasonably necessary to determine if candidates meet the needs of the skills and experience outlined above; and
- Information as may be reasonably necessary to determine whether the candidate meets the independence standards outlined in the Bylaws of the Corporation.

Step Three: Outreach to Potential Board Members: Outreach for new members will be conducted by a sub-set of Committee members and/or Advisory Board retained to identify qualified individuals. This outreach will include recommendations from chapters and the larger St. George Ze'Arada Global Foundation community as outlined in Step Two. Recommendations or resumes should be submitted to the Corporate Secretary in writing by the designated time frame of the year.

Step Four: Reviewing Candidate resumes: A sub-set of the Committee will meet to review submitted candidates and their resumes with possible Advisory Board assistance. The Committee sub-set will then forward candidates to the full Committee for its consideration in the specified date.

Step Five: Committee Interview: After the full Committee's consideration and approval, a Committee member will be assigned to reach out to a prospective candidate to determine their interest and assess the candidate. The Committee members should assess the individuals for a high level of spiritual, personal and professional integrity and commitment to promote the long term interests of the St. George Ze'Arada Global Foundation. Finally, the Committee members should be convinced that the potential Board member can commit adequate time to service as a Board member.

Step Six: Additional Interviews and Due Diligence: With the prospective candidate's concurrence, a due diligence process (with assistance from an Advisory Board) and professional evaluation will be conducted. The Chairman will also have an opportunity to interview prospective candidates.

Step Seven: Voting New Members: The cumulative results of the interview and due diligence processes will be forwarded to the Chair of the Committee. In consultation with the Chairman and the Advisory Board, the Committee will formally vote to recommend candidates to the full Board at the Board's meeting in specified date. A complete profile of each candidate recommended by the Committee will be forwarded to the full Board for a vote. If approved, they will be presented to the delegates at the annual meeting for election.
